EmerC

The screenshot shows the top portion of the Emercoin website. At the top right, there is a price ticker for 2.31 USD/EMCO with a 5.21% increase and a 'GET EMERCOIN' button. Below this is a navigation menu with links for EMERTECH, EMERCOIN, EXPLORERS, NEWS, and COMMUNITY, along with a language selector for EN. The main content area features a large purple banner with the Emercoin logo on the left and the text 'Emercoin - blockchain for cyber security solutions' on the right. The background of the banner has a subtle circuit-like pattern.
